**2. Assignment**

2.1. We may by notice assign the whole of the benefit and burden of this support agreement (or all or any of the components referred to in clause 2.2 below) to any other person who in our reasonable opinion is capable of carrying out its terms.

2.2. We may sever the parts of this agreement which refer to:

2.2.1. Systems software

2.2.2. Application Software

2.2.3. Bespoke software

2.2.4. Software licensed or sub-licensed by us

2.3. Any assignment under this clause is without prejudice to any other contractual arrangement between us.

3.2. We prioritise support into urgent and non-urgent problems. An urgent problem is:

3.2.1. significant degradation or failure of the System,

3.2.3. Software performance significantly inconsistent with documentation.

3.3. Any other problem is classified as a non-urgent problem.

3.4. Out of Hours Support. We shall, if specified in the proposal, provide out-of-hours support.

3.5. Our support staff will attempt to solve a problem as quickly as reasonably possible, taking into account that urgent problems have priority over non-urgent problems. When appropriate, we will try to give an estimate of how long a problem may take to resolve. We will keep you informed of the progress of problem resolution.

3.6. In the course of solving a problem we may issue you with a workaround which will enable you to continue working (albeit with possibly reduced functionality) which may cause your problem to be reclassified as a non-urgent problem.

3.7. Our ability to provide support for third party software is dependent upon the assistance of the supplier of that software. We will use all reasonable efforts to deal with software problems which are caused by third party software (provided that that software is covered by this agreement) but cannot guarantee to solve problems arising from third party software.

3.8. On-site support will only be provided if specified in the proposal and where appropriate in the event telephone support does not resolve the problem. Otherwise, we will make an additional charge.

3.9. We shall charge at our usual applicable hourly rates for any support other than support provided under this agreement.

3.10. This Agreement does not cover hardware maintenance

3.11. This Agreement does not oblige us to install, configure, reinstall or reconfigure any software or to reinstate or reload any data except to the extent that we shall load your last non-corrupt complete backup ("the last backup") and ensure that any subsequent software fixes which we have implemented pursuant to this agreement are implemented. It is your responsibility to re-key or re-enter any data entered since the last backup was taken.

YOU MUST KEEP GOOD BACKUPS OF DATA AND SOFTWARE AND KEEP THEM OFF-SITE.
- 3.14. If anything you owe us is overdue (whether under this Agreement or otherwise) we shall be entitled to withhold support until it is paid. You will still be required to pay support fees for the time the support is withheld.
- 4. Your obligations**
- 4.1. You must submit sufficient material, information and assistance to enable our support staff to duplicate the problem. This includes providing sample data (including the data on the system when the problem was encountered).
- 4.2. Where the software is dependent for its operation on other software, or on specific hardware, we may decline to provide software support unless

- 5.2. We may amend the specification of the modem or ISDN adapter from time to time (but no more than once every two years).
- 5.3. You will ensure that we have access to administrative or other passwords to enable us to carry out support. We undertake to take reasonable steps to keep such passwords confidential, but you are advised that you should employ a prudent password policy involving regular changes of passwords and the use of non-obvious or guessable passwords.
6. **Correction of Software Errors**
- 6.1. We may, at our sole discretion, correct software errors by patch or by new version, or we may replace software with different software of equivalent functionality.
- 6.2. Where it does not materially impact on the operation of the System, we may specify workarounds as solutions to specific problems.
7. **Support not Included**

However, in that case we shall not be required, for the remainder of the contractual period, to provide support services in excess of those we were required to supply before the changes. *For the avoidance of doubt, the 90 day notice period still applies. In other words, if you reject the new charges within 90 days of an anniversary of this agreement, the agreement will not terminate on that anniversary, but on the next one following it.*
- 9.6. The parties agree that any sums due under this Agreement will be subject to interest where such sums remain outstanding for more than 30 days subject to the statutory rate of interest applicable under the Late Payment of Commercial Debts (Interest) Act 1998 (irrespective of whether such act applies to this Agreement).

- 10.2. Notwithstanding the generality of 10.1 above, we expressly exclude liability for consequential loss or damage which may arise in respect of the Software, any Support Software, any modem or other hardware, its use, the System or other equipment or property or for loss of profit, business, revenue, goodwill or anticipated savings unless we have explicitly agreed to accept increased liability in the proposal.
- 10.3. In the event that any exclusion or other provision contained in this agreement is held to be invalid for any reason and we become liable for loss or damage that could otherwise have been limited, that liability shall be limited to the amount you have actually paid us for software support services over the last year.
- 10.4. We do not exclude liability for death or personal injury which arises as a result of our negligence or the negligence of our employees, agents or customers representatives and for which we are responsible, or for fraud or wilful deceit.
11. **Termination**
- 11.1. Irrespective of whether either party is in breach of this Agreement we may terminate this Agreement if the supplier of the software fails to provide secondary support. In the event of termination under this clause we shall refund the support charges on a pro rata basis.
- 11.2. In addition to provisions for termination contained elsewhere in this agreement, we may, by notice to you, terminate it if you are in breach of it and fail to remedy the breach (if it is capable of remedy) within 30 days of having received notice of the breach from us.
- 11.3. Whether or not you are in breach of this agreement, either of us may terminate it on at least 90 days' notice from one party to the other to expire on an anniversary of this agreement.
- 11.4. Upon termination, you will pay us all costs and expenses, including legal and other fees incurred and all arrears of charges or other payments arising in respect of the software or hardware, any Support Software or hardware, its support, this Agreement or otherwise
